

JOIN THE BRAND NEW IFIP LEARNING INSTITUTE 11-13 APRIL 2018!

Join IFIP as they learn how to transform the funding sector to one of understanding and respect for Indigenous Peoples.

IFIP is launching its inaugural Learning Institute in New York just before the UN Permanent Forum on Indigenous Issues, and its faculty includes local and global prominent Indigenous Leaders. The Learning Institute is a program for funders (new and seasoned) that would like to grow their knowledge and experience on how to partner with Indigenous leaders, organisations, and communities in ways that respect their rights, cultures and self-determined development.

The IFIP Learning Institute will support funders to strengthen, develop and adopt funding strategies and practices that values Indigenous Peoples, respects their rights and incorporates their values in what and how donors engage with Indigenous communities.

The IFIP Learning Institute is for funders only. To learn more about the Institute, please visit IFIP's website [here](http://www.internationalfunders.org).
